SUBJ: RCRA Facility Investigation Work Plan
Approval of the Assembly D and E Site Investigation Plans
Naval Air Station Memphis
EPA ID Number: TN2 170 022 600

Dear Mr. Porter:

The United States Environmental Protection Agency (EPA) has reviewed the RCRA Facility Investigation (RFI) Work Plan Assembly D and E Site Investigation Plans for Naval Air Station Memphis and has determined that the plans satisfy all necessary technical requirements for implementation. Implementation of the work plans are to commence upon receipt of this letter and in accordance with the approved schedule in the plan.

If you have any questions or if there are any problems encountered during work plan implementation please contact David Williams at (404) 347-3555 Ext. 2066.

Sincerely,

A handwritten signature in black ink, appearing to read "David G. Williams".

David G. Williams
